

# ST JAMES PLACE

Letter to Week 14 Owners

Dear St. James Place Owner,

As you may know already, Beaver Creek Mountain has announced their projected closing day to be Sunday, April 4th. This is a week earlier than when the mountain historically closes and doesn't fully align with the occupancy of your week at the St. James Place and the mountain being open.

Your St. James Place Board of Directors and Residential Committee are aware and have sent a letter to the Beaver Creek Resort Company and Nadia Guerriero the BC COO petitioning on your behalf for the reconsideration of the closing day to be extended a week. We know how much the mountain plays into the memories created during your week here at the St. James Place, which is why the HOA has taken a stance in asking that Vail Resorts extend the Beaver Creek 20/21 season by one week.

The St. James Place continues to work with other Associations and Resort Entities in hopes of Vail Resorts reconsidering to extend a closing day. If not extended, the HOA has asked that there be a shuttle service or other transportation options be made available to Vail Mountain as they will remain open until Sunday, April 11th.

Please reach out to Erin Jarvis, the St. James Place General Manager with your questions and concerns. We will follow up with you if any changes are made.

Sincerely,

Your Board of Directors and Residential Committee

Erin Jarvis, General Manager, [ejarvis@vailresorts.com](mailto:ejarvis@vailresorts.com)
